## **Welcome to the 30th Florence Network Annual Meeting in Spain!**

San Rafael Campus is very excited to be the host of Florence Network Annual Meeting from 24-28 April 2023 in Madrid, Spain.

We are proud to offer you an attractive programme with specific speakers and several workshops. We hope that FLECO'S, students and lecturers have a productive meeting and some great time together.

We all have the same objectives to work on future caregivers, nurses and midwives, to provide a better education supported by research, experiences, and new curricula.

Being a member of the Florence Network means a fantastic international experience and lot of friendship for so many people. This is the strength of our network and gives us energy to work.

We wish you an interesting and inspiring Annual Meeting!
